

Title: Wake Me Up When September Ends

Artist: Greenday

**Intro:** G-D-Em-G-C-D-G

**Verse:**

G                    D  
Summer has come and passed  
Em                    G  
The innocent can never last  
C                    G  
Wake me up when September ends

**Verse:**

G                    D  
Like my father's come to pass  
Em                    G  
Seven years has gone so fast  
C                    G  
Wake me up when September ends

**Refrain 1:**

Em                    Bm  
Here comes the rain again  
C                    G  
Falling from the stars  
Em                    Bm  
Drenched in my pain again  
C                    D  
Becoming who we are

**Verse:**

G                    D  
As my memory rests  
Em                    G  
But never forgets what I lost  
C                    G  
Wake me up when September ends

**Verse:**

G                    D  
Summer has come and passed  
Em                    G  
The innocent can never last  
C                    G  
Wake me up when September ends

**Verse:**

G            D  
Ring out the bells again  
Em            G  
Like we did when spring began  
C            G  
Wake me up when September ends

**Refrain 2:**

Em            Bm  
Here comes the rain again  
C            G  
Falling from the stars  
Em            Bm  
Drenched in my pain again  
C            D  
Becoming who we are

**Verse:**

G            D  
As my memory rests  
Em            G  
But never forgets what I lost  
C            G  
Wake me up when September ends

**Verse:**

G            D  
Summer has come and passed  
Em            G  
The innocent can never last  
C            G  
Wake me up when September ends

**Verse:**

G            D  
Like my father's come to pass  
Em            G  
Twenty years has gone so fast  
C            G  
Wake me up when September ends
