GIVE IN TO ME

She always takes it with a heart of stone
 'Cause all she does is throws it back to me
 I've spent a lifetime looking for someone
 Don't try to understand me, just simply do the things I say
 Love is a feeling give it when I want it
 'Cause I'm on fire, quench my desire
 Give it when I want it talk to me woman
 Give in to me give in to me

You always did know how to make me cry
 And never did I ask you questions why
 It seems you get your kicks from hurting me
 Don't try to understand me because your words just aren't enough
 Love is a feeling quench my desire
 Give it when I want it takin' me higher
 Love is a woman I don't wanna hear it
 Give in to me give in to me

You and your friends were laughin' at me and talk
 But it's okay and it's okay
 You won't be laughin' girl when I'm not around
