

OPETH - Windowpane

Intro – 6/8 guitar F#m - + rhythm ...

Verse

4/4 C#m9

Blank face in the windowpane
Made clear in seconds of light
Disappears and returns again
Counting hours, searching the night
– string-thing 4 bars

6/8 F#m – guitar solo – 16 bars

verse 4/4 C#m9

Might be waiting for someone
Might be there for us to see
Might be in need of talking
Might be staring directly at me
– string-thing 4 bars

Interlude

Am – B – Am - C

B

Inside plays a lullaby
Slurred voice over children cries
On the inside

Haunting loneliness in the eye
Skin covering a secret scar
His hand is waving a goodbye
There's no response or action returned

There is deep prejudice in me
Outshines all reason inside
Given dreams all ridden with pain
And projected unto the last
