Verse 2

I tried my best to feed her appetite
 Keep her coming every night
 So hard to keep her satisfied.
 Kept playing love like it was just a game
 Pretending to feel the same
 Then turn around and leave again (oh!)

Chorus

This life has taken its toll on me
 She said goodbye too many times before
 And her heart is breaking in front of me,
 I have no choice, 'cause I won't say goodbye anymore

Bridge

I'll fix these broken things
 Repair your broken wings
 And make sure everything's alright (it's alright)
 My pressure on her hips
 Sinking my fingertips
 Into every inch of you
 'Cause I know that's what you want me to do
